LASTING
IMPACTS!

THE PROBLEM: I AM NOT ENOUGH!

70% of girls believe they are not good enough or don't measure up in some way.

THE FOUNDATIONAL ISSUE = HOW GIRLS SEE THEMSELVES, OTHERS AND THE WORLD.

LOW SELF-ESTEEM is a thinking disorder in which an individual views herself/himself as inadequate, unlovable, and/or incompetent. Once formed, this negative view permeates every thought, producing faulty assumptions and ongoing self-defeating behaviour.

OUR GIRLS ARE CURRENTLY SEEING THEMSELVES THROUGH:

DISTORTED FILTERS

Media, perfectionism, comparison, opinions and labels of others

DISEMPowering INTERPRETATIONS

Of past painful experiences of failure, shame, disappointment, fear, rejection, inadequacy, criticism, abuse ++

FAULTY MINDSETS

Limiting beliefs, negative self-talk / self-perception, unrealistic expectations

CURRENT CHALLENGES AND CHANGE

Letting challenges define them, overwhelm, undervalue, forget their strength

LEADS TO:

- **SELF-SABOTAGE** – disqualifying themselves from belonging, contributing, achieving, and growing. Limited or no self-acceptance and belief.
- **COMPARISON AND COMPETITION** – unable to acknowledge their own worth and value or the unique value of others. Damaging themselves and others in the strive to “be enough”.
- **POOR MENTAL HEALTH** – negative self-perception, inability to cope with challenges, increased depression, anxiety and disengagement. Constantly feeling unworthy, powerless and hopeless.
- **SELF-DESTRUCTIVE BEHAVIOURS** - escaping or compensating for negative self-perception

WE MUST BREAK THIS CYCLE

THE SHIFT / SOLUTION

WORKSHOPS

creating a shift in how girls see themselves, others and the world.

ChooseREAL Workshop is an **INTERACTIVE EXPERIENCE**.

The workshop **EMPOWERS GIRLS TO POWERFULLY SHIFT THEIR PERCEPTION OF THEIR SELF AND OTHERS**, giving them self-confidence, alleviating low self-esteem and its damaging impacts.

It is designed to **HELP GIRLS CREATE IMMEDIATE AND LASTING BREAKTHROUGHS** in their limiting beliefs, negative self-talk, mindsets, and develop tools to endure and thrive through ongoing pressures and life's challenges.

This is a **WORKshop** where girls are engaged in activities and discussions, equipping them to “do the work” now and have the tools to continue making impacts in their lives and those around them.

OUR GOALS:

- Shift how girls see themselves, others and the world around them
- Leave girls feeling, knowing and being confident in their REAL worth and identity
- Experience and have the tools to chooseREAL everyday

BENEFITS / TRANSFORMATIONAL OUTCOMES FOR GIRLS:

**GROW IN
SELF ESTEEM AND
CONFIDENCE**

VALUE OTHERS

**IMPROVE
MENTAL HEALTH**

**MAKE EMPOWERING
CHOICES**

1. GROW IN SELF ESTEEM AND CONFIDENCE – having a healthy self-perception enables girls to embrace who they really are, be brave against all that’s trying to distort them, grow in their strengths, discover their unique characteristics, reach their potential and enjoy life.

2. VALUE OTHERS – when girls can see their own worth and value, they can see and encourage the value of others, genuinely support work together, and positively contribute to our community.

3. IMPROVE MENTAL HEALTH – giving girls the opportunity to learn and practice mental health tools, strategies and mindset shifts will increase emotional, psychological and social wellbeing – endless ongoing benefits. Girls are better able to endure and thrive through the stresses and challenges of life.

4. MAKE EMPOWERING CHOICES – when girls know their infinite worth and key tools to choose their thoughts, words and actions, they can design the life they choose, and make choices that positively affect their current moment and future.

A FEW STORIES OF IMPACT

"I really needed this! Thank you, it was so so helpful. It's changed my life. Really, it was the best!" - Yr 8 student

"I've never heard anything like this before, every girl and women needs this. It's life-changing. Super interactive. So practical. So engaging. The films they've created speak straight to the heart and reveal what would take hours to unpack in a couple of minutes. I was so moved seeing all the girls get emotional as they let go of who they thought they had to be or what others have said over them. And began to see the unique beauty of who they really are - and those around them. All the girls were encouraging and lifting each other up - even those that previously were tearing each other down or hardly knew each other. Wow, this is the best workshop I've ever experienced. And best of all, the girls get beautiful take-away gifts and reminders of their worth and value. Couldn't recommend ChooseREAL more!" - Leader of Youth Camp

"I love what you do! It's changed how I see myself and others. It's the most amazing thing I've done." - Yr 6 student

"It's many months after the ChooseREAL Workshop at our school and I continue to have parents coming up to me in the playground, speaking about the impact that the ChooseREAL Workshop had on their girls. They all have their glasses and quotes stuck on their mirrors and pinboards. Many of our girls have broken lives but they were all BEAMING after the workshop - and they still are. Very full little love tanks. Every girl needs this." - Teacher
